TO ALL IAM & AW MEMBERS G4S – PREBOARD SCREENING PERSONNEL LOCAL LODGE 16 – VANCOUVER Article 18-Vacation With Pay

Dear Brothers and Sisters:

One of the major issues we have assisted the membership with over the last year is to ensure that every member is receiving the correct vacation pay percentage in accordance with Article 18.01.

Please review your pay statement and ensure you are receiving the correct percentage.

Your accrual percentage should change on your service date.

If you have any concerns you should direct them to G4S at:
