

International Association of Machinists and Aerospace Workers Local Lodge 16

February 16, 2015

Dear Brothers and Sisters,

We start direct bargaining with the employer this Tuesday, Wednesday, and Thursday.

It is important to remember that sometimes in our workplace there are rumors and there are some individuals who for a lack of a better word tend to exaggerate or make comments that are not true.

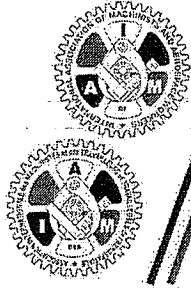

The communications and updates for your elected Bargaining Committee will come directly from the District. If you have not already done so and would like receive timely and accurate updates from the Bargaining Committee we have established a group e mail, please provide your e mail address to the Committee Communicator, John Vincent, at jvincent@iamaw16.ca

While we are in direct bargaining, Rene Chand will be covering the office. Additionally if you need assistance on the floor please ask for a Shop Steward in your work location.

In Solidarity,

Chris Thompson

Chief Shop Steward

ADMINISTRATIVE DUTIES UPDATE - POINT LEADS**

Dear Brothers and Sisters:

Further to the information sessions held on Monday, January 19, 2015, discussions are ongoing between the Union and the Company regarding administrative changes to the assigned duties of the Point Lead Classification, as contemplated in the Arbitrated settlement of August 2013.

The parties are attempting to address the concerns raised by the Members, regarding scheduling and shift give away / shift trade flexibilities.

We will schedule further information sessions with the Point Lead group, as information becomes available and prior to finalizing any details.

In Solidarity,

Tania Canniff, General Chairperson
Transportation District 140, IAMAW
