RE: New Bids – Effective Friday, June 19, 2015

---

The new FT and PT shifts will be effective Friday, June 19, 2015.

The FT and PT bid will be effective till approximately September 03, 2015 unless otherwise determined by flight schedules.

Please be advised of the following:

- “D/L” lines: Should anyone bid these lines and do not have a “D” license in hand will have 30 days from the time that the lines are awarded to obtain the license. You will need to obtain a radio and “D” license and provide the company copies of appointments made to obtain these licenses. **If the licenses are not obtained within the 30 days then that individual will vacate that line and pick a line from the open lines.**
- On the PT bid, there are lines that are marked as changeable; these lines can be changed if needed. Hours will be changed first prior to changing days off.
- Lead lines: any lead that bid and held a lead line in the last winter bid and did not bid one in the last bid is penalized and unable to bid a lead line for this bid as per the C.B.A. article 17.09.
