Fightback #? Make History on October 19

Who: IAM members, their families and friends

What:

1. Make sure that you are registered (<http://www.elections.ca/>)
2. Participate in the campaign
 - * tell your family and friends about the issues and urge them to ensure they are registered, get involved and vote
 - * volunteer/get engaged – take a sign, canvass, make phone calls, contribute.
3. Vote on October 19 or at an advance poll.

Where: In your own constituency or a nearby constituency where you can make a difference (contact Gord Falconer for advice)

When: Between now and October 19

Why: Because Canada needs a change after 10 years of Harper Conservative rule that has given us the worse economic record since the 1930s depression.

Because we need a progressive government that will work for all Canadians – for good jobs, decent pensions for all, affordable universal childcare, and a rebuilt national health care system.

Because we need a government that respects and supports collective bargaining and unions – that will fight for fairness and equality.

Because this is the fight of our lives – and our chance to make history.
