Strike Update

Dear Brothers and Sisters:

The Union issued Strike Notice to the Company today around 12:30 pm.

The Company and Union have been in discussions since the notice was issued and have agreed to go back and continue to bargain a new collective agreement with the assistance of the Mediator.

The parties have agreed that No Job Action will take place while the parties are in this process.

Should the parties reach an impasse and talks break off the Union will provide the Company with 72 hours notice prior to taking any job action.

We will continue to keep you informed.

In Solidarity,

Todd Haverstock, General Chairperson
Transportation District 140, IAMAW
