Shift Committee Nominations

Dear Brothers & Sisters:

I have been contacted over the past year by several members enquiring about the process to be able to be part of the local shift committee.

I contacted all the Chief Shop Stewards and found a wide variety of responses as to how the current local committee's were formed.

I reached out to all Chief Shop Stewards and advised them that I wanted to standardize the process and have nominations and elections prior to the winter bid if required.

The Shift Committee will consist of the Chief Shop Steward and one (1) other member with the exception of Kelowna (YLW) which may have two (2) due to the size of the base.

If you are interested in being part of this committee please send me an email to thaverstock@iam140.ca by September 7, 2018. Please include your contact information including what base you are from.

If any base has more applicants than required an election will take place at the base.

Should you have any questions please contact me.

In Solidarity,

Todd Haverstock, General Chairperson
Transportation District 140, IAMAW
