BCMSP GRIEVANCE – ALLOCATION OF SETTLEMENT UPDATE – MARCH 29, 2019

Dear Members:

Further to our bulletin of March 24, 2019, since the posting of the bulletin and the posted bargaining unit list(s), we have identified a number of discrepancies with the pro rata amount of payments, arising from the information initially received from the Company.

We are in the process of reviewing and investigating the discrepancies with the Company to ensure that the list(s) reflect accurate information and are in accordance with the terms and conditions of the settlement agreement.

This review is going to result in a short term delay in the pro rate payments to affected employees.

We are working to resolve these discrepancies expeditiously and will post corrected lists with a revised payment date, as soon as possible.

We sincerely thank the Membership for your patience and support throughout this process.

In Solidarity,

Tania Canniff, General Chairperson
Transportation District 140, IAMAW

Todd Haverstock, General Chairperson
Transportation District 140, IAMAW
