Dear Brothers and Sisters:

The Bargaining Committee met with the Securiguard Management team on Friday, December 13, 2019 to discuss the results of the vote and the plan moving forward.

Darcy Kernaghan – President & CEO joined the parties as he wanted to hear directly from both sides as to why the agreement was rejected and what needed to be addressed in order to get an agreement.

The Bargaining Committee explained the shortfalls of the agreement based on what the membership told us during our walk arounds leading up to the vote and at the meetings.

The parties have agreed to take a break over the Christmas period and that we will be looking at getting back together in January.

Should you have any questions or concerns please feel free to contact myself or any member of the negotiating committee.

The Committee would like to wish everybody a Happy and Safe Holidays.

In solidarity,

Todd Haverstock, General Chairperson
Transportation District 140, IAM & AW
