COVID – 19 UPDATE

Dear Members,

We are faced with an unprecedented global epidemic as this situation rapidly evolves. Our union has been working diligently at all levels, including Grand Lodge, District Lodge, Chief Stewards, Health and Safety committees and Local Lodge Executive Board. Our focus is to ensure that the well being and safety of our members is, and continues to be the top priority during this difficult time.

These are some of the steps that have been taken so far;

The minister of transportations office and the health minister's office has been contacted with our concerns.

Each general Chair Person across district 140 has been in contact with the employers they represent to ensure our members concerns are addressed.

Our Chief Stewards have meetings with employers regularly and have been updating their respective shop steward groups regularly.

Grand Lodge has been providing us with updates regularly – we have been doing our best to disseminate this information. Members can also access this information directly from their website <http://www.iamaw.ca/> in addition to our local lodge website <http://iamaw16.ca/>

As earlier stated, this is a rapidly evolving situation which leaves much to question. Please stay safe and follow instructions laid out by Local Health authorities.

Members with questions or concerns should be contacting their General Chair Persons;

Tania Canniff @ tcanniff@iam140.ca

or

Todd Haverstock @ thaverstock@iam140.ca

We will provide more information as it becomes available.

In solidarity your Local Lodge Executive Board
