**INTERNATIONAL ASSOCIATION OF MACHINISTS
AND AEROSPACE WORKERS**

August 19, 2020

Dear Members,

It is with grief that I inform the membership about the courageous battle with cancer our beloved Sister Aleksandra Novakovic is facing. She has been a diligent screening officer at YVR for over a decade, always laughing and bringing positivity into the workplace.

In these difficult moments, members have the opportunity to show their support for a fellow colleague and Sister to help ease any burdens of this unexpected hardship.

Please take the time to visit Sister Aleksandra's gofundme page and assist her during this strenuous time.
