SECURE AVIATION TRANSPORT LOCAL LODGE 16 **INTERNATIONAL ASSOCIATION OF MACHINISTS AND AEROSPACE WORKERS**

November 3rd 2020

Dear Members employed at Securiguard core,

On the week of October 19th a petition was sent to; Todd Haverstock, Securiguard management and myself.

The petition was formed and circulated asking for the following;

- 1) To have the new bid reverted back to the old schedule.
- 2) To have a re-election for the Chief Steward.

These allegations were not taken lightly by Todd Haverstock or myself.

Scheduling is a Collective agreement issue and falls under the jurisdiction of General Chairperson Todd Haverstock, he's looked into the new bid and has assured me there was no wrong doing by Chief Steward Ashok Narsih and the new bid was compliant with the Collective Bargaining Agreement.

I have contacted several members that had signed the petition while a lot of people brought forward hearsay and rumors nothing factual was brought to light that indicates any wrong doing on your Chief Steward' part.

Both investigations have now been concluded and show no wrong doing from Chief Steward Ashok Narsih As such Ashok Narsih will remain as Chief Steward and there will be no election for Chief Steward at this time.

If anyone has any questions or concerns please do not hesitate to contact me.

In solidarity,

R Singh
