COLLECTIVE BARGAINING UPDATE – MARCH 15, 2021**

Dear Brothers and Sisters:

Your Negotiations Committee met internally on February 5 & 17, 2021 and met in direct bargaining with the Company on February 18, 2021, and again on March 15, 2021 through video conferencing.

Thus far the discussions are focused around a short-term renewal of the current agreement with a narrow agenda of issues being considered by both parties.

We will meet internally on March 22, 2021, and plan to resume direct bargaining with the Company on March 29, 2021.

Your Negotiations Committee thanks you for your continued support, patience, solidarity and commends you for your continued professionalism in preserving the safety and security of the public.

In solidarity,

Tania Canniff
General Chairperson
