COLLECTIVE BARGAINING UPDATE – APRIL 15, 2021**

Dear Brothers and Sisters:

Your Negotiations Committee met in direct bargaining with the Company on April 14, 2021, through video conferencing.

To date, the discussions have been focused on reaching an agreement on a short-term renewal of the Collective Agreement with a narrow agenda of issues being considered by both parties, however, it is unlikely that this outcome will be achievable.

Accordingly, we will meet internally on April 27 & 28, 2021, to review our agenda and proposals and plan to resume direct bargaining with the Company on May 19 & 20, 2021, on our full agenda.

Your Negotiations Committee thanks you for your continued support, patience, solidarity and commends you for your continued professionalism in preserving the safety and security of the public.

In solidarity,

Tania Canniff
General Chairperson
