

COVID-19 VACCINES: REGISTER NOW

May 3, 2021

Strategic Objectives

1. Build public trust and confidence in vaccines.

2. Ensure the vaccine registration process is clear and successful.

How can you help?

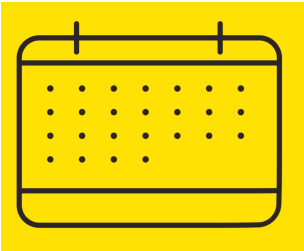

1. Learn about vaccine registration.
2. Share clear messages and Government of BC content.
3. Follow and amplify social media content from your regional health authority.
4. Print and share posters on how to get vaccinated.
5. Share content on vaccine safety and efficacy from reputable sources.

1. 3 STEPS TO GETTING VACCINATED

1. Register

 <https://www.getvaccinated.gov.bc.ca/>
 1-833-838-2323 | translators are available
 In-person at a Service BC office

2. Book

You'll get an email or text notification when it's your turn to book.

3. Get vaccinated

Show up and get vaccinated to protect yourself and the people you love.

SHARE THIS WEBSITE:

NOTE:

You only need to register in our provincial system once. If you got your first dose through a pharmacy, register at gov.bc.ca/GetVaccinated tool to get your second dose.

2. SHARE CLEAR MESSAGES

1. We're expecting to get over 1 million doses of Pfizer in May.
2. We need everyone 18+ to register for their vaccine today and book their appointment as soon as it's their turn.
3. All of the vaccines are safe and very effective.
4. Every person vaccinated makes us all safer and gets us closer to putting the COVID-19 pandemic behind us.

3. SHARE THIS ANIMATION

This 30 sec video explains how to get your vaccine through online registration. Download the video. Pair it with the post copy. Pin it to your channels.
