**COMPANY VACCINATION POLICY**

---

Dear Members:

The Company shared their COVID-19 Vaccine Policy with the National Health and Safety Policy Committee (NHSPC) on October 1, 2021 and met with the NHSPC on October 4, 2021 to discuss and obtain their feedback.

A further meeting was held with IAMAW, Teamsters and USW on October 5, 2021 at our request to review the Vaccine Policy and provide our feedback.

While the Company did accept some recommendations from the NHSPC and the Bargaining Agents, it remains our view that the invasive nature of a mandatory vaccination policy that does not provide for alternatives to vaccination is overreaching and unreasonable.

Accordingly, a policy grievance will be filed and advanced to arbitration as expeditiously as possible.

In solidarity,

Tania Canniff  
General Chairperson  
Transportation District 140  
IAMAW
