NEGOTIATIONS UPDATE – MARCH 11, 2022**

---

Dear Brothers and Sisters:

Further to our bulletin of February 24, 2022, the parties met with the assistance of our Mediator on March 7 & 9, 2022 and exchange proposals on both monetary and non-monetary issues. The parties have agreed to meet further on March 28 - 30, 2022, to continue discussions towards reaching a tentative agreement that meets your needs and expectations.

Representatives will be asking the Membership to engage in certain activities over the coming weeks to show their support for the Negotiations Committee and bargaining process. Our power at the bargaining table is dependent on the Membership's support. Additional details will be communicated shortly.

If you have questions or concerns, please address them to the elected Members of the Negotiations Committee or refer to official communications from the Committee.

Your Committee continues to fight to improve upon and protect provisions of the Collective Agreement that are of critical importance to the Membership. Thank you for your continued support, patience, and solidarity, and for your continued professionalism in preserving the safety and security of the public.

We will keep you apprised of any developments in the process.

Remember to always work safe.

In solidarity,

Tania Canniff  
General Chairperson  
Transportation District 140  
IAMAW

Todd Haverstock  
General Chairperson
