Dear Brothers and Sisters:

Our strength at the bargaining table is dependent on Membership support. Representatives will be in the workplace starting today asking the Membership to engage in activities to show their support for the Union's bargaining efforts and demand a fair bargaining process.

At airports across Canada your contribution to safe travel is overlooked and undervalued. Working together is critical in our struggle to achieve an Agreement that delivers the right protections on the job, fair wages and job security. We are calling on Transport Canada to ensure we have access to a fair process, and to hold employers in the screening sector accountable.

We ask that you sign a card and wear your "solidarity" in support of the Committee, each other, and the process. Let the company know that 0% won't fly.

If you have questions or concerns, please address them to the elected Members of the Negotiations Committee or refer to official communications from the Committee.

Thank you for your continued support, patience, and solidarity, and for your continued professionalism in preserving the safety and security of the public.

We will keep you apprised of any developments in the process.

Remember to always work safe.

In solidarity,

Tania Canniff  
General Chairperson  
Transportation District 140  
IAMAW

Todd Haverstock  
General Chairperson  
Transportation District 140
