EMPLOYEE ENGAGEMENT SURVEY – APRIL 7, 2022

Dear Members:

On April 7, 2022, the employer launched their Employee Engagement Survey for 2022. Feedback from this survey is meant to help the employer reach their goal of being, an “employer of choice.” You know best what needs to change so they can realize that goal.

Share your concerns with the employer, not only around issues related to workplace protections, fair wages and job security, but also around the negative culture that is being fostered in your workplace. This is an opportunity to share your real workplace experiences.

Let them know changes are needed. Let them know that engagement begins with respect; respect in the workplace and respect at the bargaining table.

Thank you for your continued support, patience, and solidarity, but most of all, for your continued professionalism in preserving the safety and security of the public.

Remember to always work safe.

In solidarity,

Tania Canniff
