Bargaining update sessions

August 18, 2022

Dear Members employed at Allied universal,

I wanted to clarify a few things for our upcoming update sessions.

The same information will be presented at all 10 sessions, you only need to register for and attend one session.

You have to register by 9pm the day prior to the session you want to attend. For example, if you want to attend a session on Tuesday at 10:00 am you would have to register by 9pm on Monday.

Meeting links will be sent out the night before the session once registration has closed. For example, meeting links for Tuesday will be sent out to people who registered by the deadline on Monday shortly after 9pm.

I hope this clears things up, if you have any questions please don't hesitate to reach out.

In solidarity,

R Singh
