COLLECTIVE BARGAINING UPDATE – SEPTEMBER 2, 2022

Dear Members:

The parties met in mediation on September 1, 2022 working well into the evening, and with the assistance of Arbitrator Saunders made significant progress. We were able to resolve many of the outstanding issues, which will allow us to focus on the monetary issues at the interest arbitration scheduled for September 8 & 9, 2022. The Arbitrator thanked both Committees for their hard work narrowing the issues in dispute.

With the support of legal counsel, we are continuing our preparations for the interest arbitration, and ask the members to have trust in the process, while we continue to work hard on your behalf to achieve the best possible result for the membership. We will provide a further update following the interest arbitration.

Your Negotiations Committee thanks you for your continued support, patience and solidarity and commends you for your continued professionalism in preserving the safety and security of the public.

In solidarity,

Tania Canniff
