## **IAM Scholarship Competition**

Dear members,

The IAM Scholarship Competition is accepting applications for the 2023 year. The competition is open to members of the IAM and their children throughout the United States and Canada.

Again, this year's Scholarship Program will be fully accessible on [goiam.org](http://goiam.org).

Additionally, the IAM has a vocational-technical two-year scholarship available to members and their children.

Please note that the application must be postmarked on or before February 10, 2023, if mailing in the applications.

In 2021-2022, the IAM awarded 16 scholarships valued at \$64,000. The winners were selected out of over 300 applicants.

For more information, including applications and rules, you can find them on the 2023 IAM Scholarship Competition page [here](#).

If you would like to receive a scholarship packet by mail or have any questions regarding the program, please call our Scholarship Department at 301-967-4708.

In solidarity,
