TO ALL IAM & AW MEMBERS PRIMEFLIGHT – VANCOUVER GRIEVANCE # W06434 AUDIT #3

Dear members,

The final audit regarding this grievance has been completed and this grievance is now considered resolved by the parties.

The Company has put mechanisms in place so that this should not happen again going forward. On Monday, May 22, we had a statutory holiday and we reviewed everybody's pay afterward and we found that all but two employees were paid correctly. The Company identified the issue with those two employees and they have been compensated and the system has been updated.

Listed below are the employee numbers of former employees and the amount of money that is owed to each employee.

The payment has been made as a direct deposit therefore if you did not receive it please contact myself so that I can investigate.

I want to remind members to please read your Collective Agreement and check your pay cheques to ensure your payment is correct. The total amount of money paid out was approximately \$30,000.00 and it was the result of a conversation that transpired in my office that led to the error being discovered. If it had not been for the member coming down and raising the questions it may never have been discovered.

If you have any questions or concerns, please contact myself via email at thaverstock@iam140.ca.

In solidarity,

Todd Haverstock
General Chairperson
Transportation District 140
