NEGOTIATIONS UPDATE**

Dear Brothers and Sisters,

July 12th, 2023

Further to our bulletin of June 26th, 2023, your negotiation committee representatives met with the company on July 12th, 2023 for the company's counter proposals. The company agreed to one item and blatantly has not come to agreement on the key benefits that the members are asking for. Further, the negotiating committee and the company have agreed to clean up some of the pending items by the next scheduled for July 28th and August 8th, 2023.

Your negotiating committee will provide further information after these dates if the company is giving the negotiating committee the key benefits that the membership has asked for.

In Solidarity,

Ali Goljahani
