NEGOTIATIONS UPDATE

August 3rd, 2023

Dear Brothers and Sisters,

Your Negotiation Committee members met with the company on July 12th and 28th and August 3rd. We were able to come to an agreement on some smaller items and outstanding items that we have been discussing back and forth.

Your Negotiation representatives vehemently requested the company to provide the key larger items and benefits that the members have asked. However at the moment we have not been able to come to an agreement on some items and have unfortunately come to an impasse .

Your Negotiation Committee has filed for conciliation with Federal board and have been assigned a conciliator to meet with the union and the company on Sept 6th, 7th, and 27th.

Your Negotiation Committee will advise as soon as any further information is available including any imminent possible job action.

We thank you for your continued support.

In Solidarity,

Ali Goljahani
