Attention Members at Paladin Airport Screening Services

Dear Members,

On behalf of the Local Executive board, and Paladin bargaining committee I would like to inform you that Greg Conlan (Vice president, Pacific Region), has been invited to come meet with our membership prior to our October general meeting on October 15th at 3pm to address some concerns of our membership about the culture and conditions of the work place.

Due to limited time we would like to have questions submitted in advance so that Greg will have time to research and bring answers to the membership.

If you have questions you'd like addressed please use the link below to fill out the form. Please have the attached form filled out and submitted by 0900 September 27th 2024

We kindly request that you keep your questions professional.

Questions relating to bargaining should be directed to the bargaining committee.

This is a great opportunity for the concerns of our membership to be heard.

As always rude or disrespectful behavior towards anyone in attendance at a Local meeting will not be tolerated.

In solidarity,
