## **IAM Scholarship Competition**

Dear Members,

The IAM Scholarship Competition is accepting applications for the 2025 year.

The competition is open to members of the IAM and their children throughout the United States and Canada.

Scholarships to make possible the attainment of a bachelor's degree or a two-year vocational-technical certification are determined in a competition among eligible applicants that is judged by a special Selection Committee composed of educators from the Washington, DC metropolitan area who are unaffiliated with the union.

All applicants can access applications and apply directly through our website [www.goiam.org](http://www.goiam.org). Applications will be accepted until February 3<sup>rd</sup>, 2025. Scholarship winners will be announced in the IMAIL.

All potential applicants, please review the eligibility requirements prior to starting an online application. <https://scholarship.goiam.org/>

If you have any questions regarding the Scholarship Program or our new application process, please call our Scholarship Department at 301-967-4708.

In solidarity,

*Clement Nunes*
