AGI Ratification Results

Sisters and Brothers,

We are pleased to announce that the vote on the new Agreement passed by 97%. This means the contract is now in effect. In the coming days and weeks your local will be putting out nominations for various positions such as Stewards, Chief Steward, and health and Safety. We need volunteers to step up and fill these positions in order to properly police the agreement from the union side.

Congratulations to everyone on joining the IAM Union Family. We are excited for the next steps.

In Solidarity

Your Negotiations Team!
