AUDIT UPDATE

April 16, 2025

Dear Members,

The Audit Committee conducted the audit for the 2nd half of 2024 yesterday. The committee went through all the Local records, transactions, accounts, etc.

I am proud to say that the audit was a success with no discrepancies or recommendations. All funds were accounted for and all transactions were found to be in order.

Thank you to the Audit Committee, Ellis Kwok, Nellice Hsu, Ronal Ram and Matt Sergent, for your diligence and hard work. It is greatly appreciated.

In Solidarity,

Neil Chia
