Dear Members:

At AGI Vancouver Ramp, our strength comes from one simple truth: **when we stand united, we cannot be pushed around.** Solidarity is our shield, our leverage, and our force. Employers and bad actors try to divide workers because they know what we know — **when we are united - we are unstoppable.**

Recently, we have had some of your co-workers and ex co-workers start a campaign of misinformation. These bad actors are doing this because the IAM would not let them access seniority that they were not entitled too. Some of these individuals have a long history of intimidation, bullying, harassment and in the past were responsible for co-workers being fired. The situation is now different. If any of these co-workers or ex-co-workers approach you to sign anything, tell them you are not interested. As a group, we cannot allow those looking out for their own self interests, to destroy how far we have come.

Every time we back each other up, every time we refuse to be isolated, every time we speak with one voice, we remind management and those that are acting in their own self interests that **we are not individuals to be pressured — we are a union to be reckoned with.**

Stand strong. Stay united. Watch out for each other.

In solidarity,

Tania Canniff
General Chairperson
