## Local 16 Executive Board Election Re-run

Further to the communication issued by the IAM International Office dated March 16, 2026, members are advised that the recent Re-run Local 16 Executive Board election will now be for the positions of **President and Recording Secretary**.

As outlined in the International Office notice, the decision follows the completion of an investigation regarding the handling of absentee ballots for the President position. While no evidence of intentional wrongdoing was found, errors were identified in the administration of the absentee ballots and the security of all ballots could not be guaranteed.

As a result, the election process for these two positions is **currently on hold until the re-run election is organized**.

The re-run election will be conducted under the supervision of an International Representative to ensure the integrity of the process.

**Further details regarding voting dates, and election timelines will be communicated to the membership as soon as they are available.**

We thank all members for their patience and understanding as we work to ensure a fair and transparent election process.

Stronger Together,  
Bhupinder Roy  
Recording Secretary, Educator
