INTEREST ARBITRATION AWARD**

Dear Members:

On April 21, 2026, the IAM and PASS reached a mutual understanding regarding certain aspects of the Interest Arbitration Award issued February 6, 2026, affecting the SCTR Classification.

We are engaged in discussions with Finance on the retroactivity component and expect to have clarity on the application and timelines by the end of the week.

Virtual information sessions will be held early next week to provide the SCTRs with the details and respond to any questions. Dates and times for the information sessions will be communicated to the SCTR Classification shortly.

A case management call has been scheduled with the Arbitrator for May 1, 2026, regarding implementation of the Award with respect to the F1 rate of pay and clarification of the formal ruling on Grievance SW002481 pertaining to the SCTR Classification. These issues need to be clarified by the Arbitrator.

In solidarity,

Tania Canniff
